

NCWiseOwl has Something for Everyone, with Access to EBSCO Full-Text Databases

From DIY Projects and Healthy Living to eBooks and Kids' Databases, NCWiseOwl and EBSCO Have Your Education Needs Covered

□ **EBSCO Discovery Service™**

EBSCO Discovery Service (EDS) is an all-inclusive search solution that supports in-depth research. EDS provides the highest quality and relevant results from the library's collections and electronic resources right away. With EDS, students and teachers are able to search all the full-text resources on NCWiseOwl from one search box. Featuring a sophisticated autocomplete function, publication finder (and the ability to search within specific titles), as well as Research Starters and powerful filters, EDS provides a positive user experience so that users can easily find the content they need. Using EDS will better prepare students for the kind of library research tool they will encounter in colleges and universities around the world

□ **Academic Search™ Complete**

Containing more than 8,800 full-text journals, this dynamic database offers critical information from many unique sources and provides peer-reviewed, full text for STM research, Social Sciences and Humanities. Available in the *EBSCOhost* and *Explora* interfaces.

□ **Auto Repair Reference Center™**

With maintenance information and diagrams for thousands of domestic and imported vehicles, *Auto Repair Reference Center* is the place to go for DIY car repairs. Available in its own unique interface.
